

Entry-level Landscape Designer:

SCAPE is seeking a Landscape Designer with strong visual and verbal communication skills, including hand sketching and model building, for an entry-level position on our team of innovative and creative thinkers. SCAPE is a leading landscape architecture and urban design studio based in New York City. Our work integrates natural cycles and systems into environments across all scales, from the urban pocket-park to the regional ecological plan through built landscapes, planning frameworks, research, books, and installations - with the ultimate goal of connecting people to their immediate environment and creating dynamic and adaptive landscapes of the future.

Educational and Skill Requirements: Bachelor or Master of Landscape Architecture, one to three years' working experience in the field. Proficiency in Microsoft Office, Adobe Creative Suite, AutoCAD, Rhino, Grasshopper, 3DStudioMax/V-Ray. Experience with GIS software is a plus. Experience in the production of concept presentations and production of document sets.

SCAPE Landscape Architecture D.P.C. is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees. We do not discriminate on the basis of actual or perceived race, creed, color, religion, alienage or national origin, ancestry, citizenship status, age, disability or handicap, gender or gender identity or expression, marital status, domestic status, civil union status, pregnancy, status as a protected veteran, military status, predisposing genetic characteristic, genetic information, sexual orientation, status as a victim of domestic violence, arrest or conviction records, or any other characteristic protected by applicable federal, state or local laws. Section 3 eligible individuals are encouraged to apply.
