PROJECT MANAGER / ASSOCIATE

SCAPE / Landscape Architecture is looking for a candidate to join our firm as a **Project Manager / Associate**.

Ideal candidates should have five to seven years of professional experience, with an emphasis on project management, technical documentation, landscape construction, and ecological design. Candidate should be eager to work in a fast-paced team environment and should have experience designing and documenting (drawings and specifications) complex landscapes while advancing and managing projects across a variety of scales. All candidates should be well-rounded designers, detail oriented, open collaborators, and possess good communication skills. Candidate should feel comfortable developing project budgets, working directly with clients, coordinating with other disciplines, and managing a design team.

POSITION REQUIREMENTS:

- Undergraduate or Master's degree in Landscape Architecture from an accredited University program.
- 5-7 years working in the landscape architecture profession.
- Professional licensure is preferred.
- Demonstrated experience leading teams of designers on complex projects from concept to construction.
- Experience on multidisciplinary teams with extensive coordination between consultants.
- Experience collaborating and directly interfacing with public and private client or stakeholder groups of varying sizes types.
- Demonstrated experience in construction administration and developing complex landscapes-on-structure are a plus.
- High level of proficiency in MS Office, project management software, Adobe Suite, AutoCAD. Proficiency in Rhino, Sketch up, or other three dimensional modeling software preferred.

Please send a resume and work samples in pdf format, under 5 MB, to jobs@scapestudio.com with "Project Manager/ Associate" in the subject line. No phone calls please. We are accepting applications on a rolling basis--please apply ASAP.
