

INTERNSHIP

SCAPE is currently looking for self-motivated, inspired, and team-oriented interns to join our New York and New Orleans offices. Our interns are fully integrated into our project teams and assist in all aspects of SCAPE’s work – from research to design, to drafting, to rendering. Depending on the scale and stage of the project, interns may also attend meetings and make site visits. Our office has an active social life with frequent happy hours and educational sessions. Our anticipation is that fall interns will work in-person in our offices, public health guidelines allowing.

Our fall internship runs for roughly 12-16 weeks. We also support longer-term internships of at least 4 – 6 months for academic credit or a stipend. For these longer periods, we encourage students working for school credit to apply. Unfortunately, we cannot sponsor visas for semester-long internships. Interns will receive \$880/week.

SCAPE Landscape Architecture is an Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to race, color, gender, religion, sexual orientation, gender identity and expression, national origin, age, disability, genetic information, marital status, amnesty, or status as a covered veteran in accordance with applicable federal, state, and local laws.
